

POLICY CONTRACTING

This Policy is enacted on October 15, 2022

The Markleeville Water Co. [MWC] Directors enact the following policy regarding contracting.

1. MWC may from time to time hire licensed contractors or unlicensed individuals to do work that cannot be accomplished by operations staff.
2. MWC's intent is to keep costs low while maintaining the integrity of the system, and getting work done in a timely manner.
3. Operations staff may hire licensed contractors or unlicensed individuals at their discretion, however, hiring for non-emergency work with an estimated cost of over \$1000 shall be approved by the board. Contractor and MWC shall have written contract for work over \$1000.
4. MWC does not maintain a list of approved contractors.
5. All licensed contractors or unlicensed individuals working for MWC shall at a minimum be covered by their own liability insurance, automobile insurance, and any workers compensation insurance required by law.
